MR. GEORGE SCHLATTERER.

161 Mesorale ate . Green had been troubled mone or breat trouble for seven just Instead of acting in this manner it would not steen well at high, and in the manner it would be a great deal more creditable to the authorities if they would keep an eye on the authorities if they would keep an eye on the manufacturers in this city who kill the birds and sell their skins for four and two cents a piece. It is shameful that such large quantities of these birds are destroyed for millinery purposes.

William street, a loud chorus of shrill sounds greeted him as he entered.

Mr. Ruhe has been in the business many years. Every year he imports hundred for millinery purposes.
